Newsletter 3/2005

29 July 2005

Dear members of the South African Fiscal Association (“SAFA”)

The purpose of the second newsletter for 2005 is to inform you about the AGM and forthcoming events.

Evening seminars

1. Our next evening seminar for Cape Town and Johannesburg is planned for the 30th August in Cape Town, and the 5th September 2005 in Johannesburg. The dates are provisional at this stage depending on the availability of the speakers. We plan to invite high powered speakers including High Court Judges to address us on recent case law such as those on Capital Gains and Partnerships. There are also unreported cases that impact on important matters. We shall also invite a senior representative of the SARS to add their perspective. The final details shall be put up on the website by mid August 2005.
2. Please note, reservation details and final dates will be posted on the website in due course and you will receive a reminder.

SAFA Annual General Meeting

3. The Annual General Meeting for 2004 was held in Cape Town at the offices of PricewaterhouseCoopers Century City on 12 May 2005. The existing executive committee was re-elected and confirmed for the year 2005 .

The 2005 IFA Congress

4. This year’s IFA Congress is taking place in Buenos Aires, Argentina during the 12th to 15th September 2005. Please visit the SAFA or IFA websites to find details on the topics and sightseeing tours. We would like to see more members attending this congress, there appears to be a strong contingent this year so it ought to be most enjoyable.
